Delivery times

The delivery time of the products in this price list is only valid if your order contains all the required information to process the order. Orders which do not have this information will be returned for completion. We strive to supply all products in this pricelist within 2-3 weeks after receipt of your written order. Incidentally delivery may take a little longer than usual, please always verify the expected delivery time with our order desk. Delivery times of orders with larger volumes may vary and are available on request. UHF Windshield Tag Tamper Resistant Gen2V2 AES delivery times are available on request.

Prices

The MSRP – Manufacturer Suggested Retail Price – is the end user list price level as recommended by Nedap Identification Systems. Your pricing will be given to you by the Business Development Manager who is responsible for your region.

The discount level for your organization applied by Nedap is for direct delivery to the concerned entity. There is no partner discount on the initial set-up and processing costs for tags and cards.

Mentioned prices are:

- In EURO, excl. VAT.
- Including standard packaging material.
- Excluding installation and cabling.

Terms

- All deliveries are FCA or CPT (upon partner's preference) according to Incoterms 2020.
- FCA (Free carrier) Buyer is responsible for Transport Arrangements.
- CPT (Carriage paid) Transport Arrangement is organised by Nedap, and will be charged separately on the invoice.
- Standard payment terms are net 30 days from invoice date.
- All transactions are according to the ICT-Office Terms and Conditions. The latest version of these can be received on request or can be found at www.nedap.com/en/terms-and-conditions.

Warranty

Our products carry a 24 months' guarantee regarding concealed defects and/or defects in materials and workmanship. We also grant a 24 months' guarantee regarding defects in construction, unless the customer or a third party has undertaken the construction. At our option, to meet this guarantee obligation, we shall provide either new products free or free repair. We do not vouch for the goods being fit for the use intended by the purchaser, not even if that use should have been mentioned to us, unless we have committed ourselves in writing.

Administration costs

All orders with an order value of less than € 250,- will have an extra charge of € 50,- administration costs.

Export documents

Additional transport documents - to be supplied with the shipment - are available when clearly indicated on the Purchase Order at extra charge.

- EUR-1 certificate: € 280,- per document
- Certificate of Origin: € 175,- per document

Other documents requested can be supplied on request and at additional administration costs.

Payment

Credit

Credit payment 30 days after invoice date net on our bank account. Subject to credit approval.

Payment in advance

Payment in advance, net on our bank account. The order will be scheduled after receipt of payment.
