To whom it may concern

This letter is to confirm that following Hanwha Techwin Europe Ltd server codes are an identical build to corresponding products detailed on the Secure Logiq CE certificate accompanying this letter. Secure Logiq Ltd have an OEM agreement with Hanwha Techwin to manufacture and rebadge the various products detailed below and ship with a different software configuration to our standard product to meet customers prestagging requirements. It is common practice for Secure Logiq to issue alternative part codes for specific customers to streamline the production process.

1U-4BAY-SERVER-12TB-RAW identified as 1) 1U HD Surveillance server a) M series
