

DH-AC10

Wireless Access Control DH-AC10 with 10-Port PoE

- Wireless Access Control.
- WAN 2 × GE, LAN 10 × GE (PoE+), 1 × USB.
- All-in-one Gateway.
- Embedded PoE+ Capability, supports 802.3af/802.3at PoE function.
- DH-AWA Series 802.11ax AP Management.
- Flexible Forwarding Modes.
- Smart Roaming Features.

System Overview

DH-AC Series wireless Access Controller (AC) is well designed and positioned for SME network. It features gateway and AC function integration, reducing the number of devices and TCO in network. It comes with the standard granular user control management, comprehensive RF resource management, 7 × 24 wireless security control, fast layer-2 and layer-3 roaming, strong QoS and IPv4/IPv6 dual stack. When paired with DH-AWA Series Access Point (AP), it serves as an ideal access control solution for WLAN access of SMB network.

Functions

Minimal WEB

Designed with a minimalist graphical WEB, easy to operate, which improves configuration efficiency.

Multiple Management Methods

Supports multiple management and login methods such as WEB, CLI, SNMP, SSH, and Telnet.

Green

Uses high-quality environmentally friendly materials, pollution-free; supports green power management, energy conservation and emission reduction.

Scene

The DH-AC series wireless Access Controller (AC) is well designed and positioned for SME network. It features gateway and AC function integration, reducing the number of devices and TCO in network. It comes with the standard granular user control management, comprehensive RF resource management, 7 × 24 wireless security control, fast layer-2 and layer-3 roaming, strong QoS and IPv4/IPv6 dual stack. When paired with DH-AWA Access Point (AP), it serves as an ideal access control solution for WLAN access of SMB network.

Technical Specification

Hardware

Function Slots	2 × 100 M/1 G/2.5 G Base-T Ethernet Port 10 × 10/100/1000M Base-T Ethernet Port (PoE+)
Power Module Connector	100–240 VAC, 50/60 Hz
Reset Button	Yes
WAN Port	2 × 100 M/1 G/2.5 G Base-T Ethernet Port

Function

NAT	Yes
