Product Code

F09535

MEET PROXIMITY READER

Reference

9535

EAN

8424299095356

Description.

Description

Integrated MIFARE proximity access control reader. This way, access is guaranteed to users, reinforcing the security of the building. It is possible to connect a third-party reader directly to the panel, or to extract the information from the card through the Wiegand output, to integrate it into external controllers.
