Description.

Description

The trim frames enable old intercom and video door panels to be replaced with new models in the CITYLINE and CITY CLASSIC series, covering the hole and integrating perfectly with the panel finish.

They are available in all the Panel SERIES sizes (S1 to S9) and are wide enough to cover 1 or 2 panels at a time:

• Single Frame: 1 panel

• Double Frame: 2 panels

Supplied with all the accessories required for assembly.

May only be installed if the panel is fitted to an flush box, not a surface-mounted box.
